

1st Annual Meridian High School "Lift-A-Thon"

Meridian High School/ (360) 398-8111

FITNESS CENTER FUNDRAISER!!!

ATTENTION PARENTS OF MERIDIAN HIGH SCHOOL
PHYSICAL EDUCATION STUDENTS!!

The PE department at Meridian High School would like to invite you to sponsor a physical education student for our 1st annual Lift-a-Thon.

Currently, 20% of the student body at MHS passes through the weight-room doors on any given day, second only to the cafeteria as the most populated place on campus. With the ability to reach out to so many students at MHS, it is of the utmost importance that we provide them with the best equipment possible.

The purpose of this event is to raise a portion of the \$30,000 that is needed to purchase the best fitness equipment for our students and athletes. MHS teachers, coaches, and administrators desire a top-rate fitness center that students, athletes, and community members can use on a regular basis to improve their quality of life.

Questions? Donations? Feel free to contact Shane Stacy at 318-2273 or Eric Tripp at 318-2160.
